

YOUR WEDDING *will be* PERFECT

On your special day, everything that you've planned will come together to be more than the sum of its parts: the people, the food, the venue, the entertainment, the happiness.

You've picked the ideal venue for your wedding, found the dress, deliberated over the menu, antagonized over seating arrangements. You've done all that you can to make sure your guests have a great time. Is there anything else can you can do?

INVITE TAPSNAP TO YOUR WEDDING
AND SEE WHAT A DIFFERENCE IT MAKES

TapSnap was such a fun part of our wedding. The operators were friendly and respectful, the pictures were wonderful, and all of our guests had a great time using it. We'll never forget everyone's smiling faces on that incredible day!

TapSnap is your Wedding Fun Facilitator

This is a photo booth like you've never seen before - open-concept and highly interactive so everyone can join in the fun. Your guests can take their pictures with the touch of a fingertip, write personal messages on them, and share instantly on social media. Most importantly, it's fun!

People love playing with pictures. TapSnap's special brand of phototainment brings your guests closer together as they pose for photos. It encourages interaction and laughter, and brings out the playfulness in people while creating memorable photos of your wedding.

TapSnap is like a guestbook with a huge boost of personality, and photos. Your guests can write messages to you on their pictures, making it better than a guestbook

Give your guests something to share

If your guests are like most people, they love to share pictures and videos on social media.

TapSnap instantly connects to:

Facebook Flickr Twitter YouTube Picasa

Your guests can easily share unique photos and videos of your wedding while the night is still young. No stuffy wedding pictures here!

TapSnap also helps you provide instant wedding photos to your guests. Your guests will have access to pictures through social media as they are taken instead of having to wait months for the wedding photographer. Your online photo gallery will allow friends and family who aren't at your wedding to follow the action through instant social media updates.

Photos from TapSnap are a great way to impress your friends and family, and show the world how much fun everyone had at your wedding.

Our revolutionary phototainment system

The sleek photo stand with its 42-inch multi-touch screen is a natural draw, and blends in with any kind of wedding décor. TapSnap is also very portable and easily setup by the attendant in less than 15 minutes, which makes for seamless inclusion into your wedding plan. The small footprint means you can easily find space for it.

Your guests will be impressed by the quality of TapSnap photos and printouts. The machine uses a professional Canon DSLR and a commercial quality photo printer.
